KINDERGARTEN ROUND-UP

I'm excited for what the upcoming week has in store for Kindergarten. Kindergarten Awareness Week offers future kindergarteners and their parents a chance to visit the classroom, set up screening, and enroll for next year. Parents are encouraged to call ahead of time so we can know when to expect our special visitors. Children will be able to participate along with the rest of the students while parents are free to

observe or ask questions. On Wednesday, April 21, everyone is invited to a special chapel (8:15am) with puppet master, Jerry Meyer, a frequent chapel speaker and favorite amongst the students. During this week, times can be set up with the office to arrange your child's free kindergarten screening. Kindergarten screenings are designed to assess a child's readiness across a broad spectrum of areas. – By Sarah Nutzhorn

OPEN ENROLLMENT AT FCS

April 23 is the last day for Early re-enrollment/enrollment which takes \$100 off the registration fee. Your early enrollment not only saves you money, but greatly helps out the school by making it much easier for

budgeting and having a feel for the student population for the 2010 -2011 school year. Finally your early commitment is such an encouragement to the FCS staff to hear that you are joining us in this ministry another year!

GREAT VOLLEYBALL MARATHON!

It was a great Volleyball Marathon. I could actually interact with people and there was a sense of healthy competition to win the nice traveling trophy! However, I was motivated throughout the Volleyball Marathon by the desire to beat the Boys' Soccer Team. The Girls Volleyball team won the victory over the boys in the championship round, but we found them a very worthy opponent. Coach Balken kept reminding us that "we will never live this down if the boys beat us today!" The boys were great opponents and great sports about the whole thing. - Kyrsten Balken

PS- The Sr Girls will be back next year as an Alumni team. "We want to keep the traveling trophy!"

The three overall prize winners for the Volleyball Marathon are 1st place-Collin Bro, 2nd place-The Mundt Family and 3rd- Mr. Doug Davison. Thank you for your hard work!

8th GRADE CHICAGO TRIP

8th Grade Chicago Trip- Thank you Mark and Carol Lange for your very hard work in planning and willingness to take our 8th Grade students to Chicago. They will leave on April 30 and will be returning on Sunday, May 2. The Langes have an

amazing schedule that includes great restaurants, educational museums, beautiful parks and a time of worship at Willow Creek Church on Sunday. Our 8th graders include Allison Tieso, Joey Lange, Alex Lundberg, Caleb DeGroot, Drew Balken, and Collin Bro.

Pastor Appreciation Chapel

Our Pastor Appreciation Chapel is on for Wednesday May 5, an event that our pastors truly deserve. We would like for you to invite your pastors to come at 8:15 for donuts and coffee and then experience a combined

elementary and secondary chapel at 8:30. So please invite your pastors. I know that our Art students have a nice surprise for them, as well. Senior student, Tony Tieso, will be delivering the message!

SPANISH HAS A TASTY EXAM!

Off Campus Spanish Test- Hola FCS. Can you say "COMIDA"? Our Spanish 1 and 2 class will be going to the Mazatlan Restaurant for an oral exam. Students will have an opportunity to express their knowledge of the Spanish they have learned throughout the year. Students will "HABLAR" or "talk" with the restaurant staff, order their comida, as well as hablar about the culture and the setting. FCS has held an oral exam at Mazatlan before and it was a huge success. It motivated students to learn the language and is an end of year treat!

Spanish 1 must know the setting of the restaurant and the basic greeting and ordering techniques. Spanish 2, however, will not be able to speak English at all. Students already have menus to begin studying. The first 90 minutes will be the exam and the rest will be a time of enjoyment. In our Spanish 1 class are Lindsay Backhaus (Esabel), Theresa Flood (Julia), and Joey Ryan (Felipe). In our Spanish 2 class are Alex Baleiko (Jose), Joseph Goedderz (Diego), Alex Poepping (Damaris), and Michael Schmid (Miguel). - By Ray Robinson

Milwaukee Brewers Update!

Pitching-The Brewers pitching staff wasn't what people thought it would be last year. Yovani Gallardo and Randy Wolf are probably the ones to lead the Crew in pitching. They really need to work on their pitching!
Batting-The Brewers are not really relying on the long ball but Braun,

McGehee, Gomez and Weeks have hit some. The Brewers need to score early in the game and be good on defense. New Players-Our new Brewer players like Carlos Gomez, Randy Wolf and Greg Zaun are really helping the Brewers defense. – By Josiah Flood
