HERITAGE HILL

On April 30th the 6th and 7th grade class that are in Mr. Gauerke's history class went to Heritage Hill. It was really neat! We were told how fires were put out and how the people got all of the equipment there. We also saw how the newspapers were made and we got to make our own calendar for the history room. We went to the school there and learned what it was like back then. My favorite part was when we went to the

school that was there. It was really fun, though I like our modern school a lot better. We went and visited the hospital there and the person that was there said that she would only explain one more thing because she said that I looked like I was going to faint. Apparently my face got pretty pale. It was very gross. I am so thankful for our doctors today! Thanks Mr. Gauerke! Thanks Mrs. Roffers! We all had a blast! By Rebecca Mundt

CAMP FOREST SPRINGS

When we went to Camp Forest Springs, we had devotions day and night, free time, and classes such as Wild Kingdom, Geocaching, Behold the Birds and Wet and Wild. Also, during free time, we had the choices

of going boating, air rifles, archery, tennis or just hanging out in the cabin. Almost everything we did, we were learning about God's creation. We had an awesome time at Camp Forest Springs. By Chloe Blaine

AN ALPACA VISIT

My aunt, Mrs. Shoulak, brought Alpacas to the show the students. Some facts about the Alpacas are that they shear their coat every year- their hair fibers are valuable. They come

in colors like brown, black, cream and white. And they are related to the camels. What a special animal God has made! By Kiersten Faul

8th GRADE CHICAGO TRIP

The trip to Chicago was a great experience for all the 8th graders. On Friday we went to The Museum of Science and Industry, where we saw a lot of cool exhibits. On Saturday we woke up early and took a train to the Pacific Garden Mission where we took a tour of it, and prepared lunch for the homeless. It was really "eye opening" to see the homeless people. Then we ate lunch at the Rock n Roll McDonalds. After that, we all visited

Navy Pier and rode the ferris wheel. On Sunday we went to church at Willow Creek, a huge church that has over 20,000 members. However, after a long and tiring day on Saturday, a lot of us had a hard time staying awake during the service. Then we ate at Rainforest Café and left for home. God was with us through the whole trip and gave us great weather instead of the rain that was predicted.

OUR 2010/2011 ELEMENTARY

I would like to inform you that our elementary classes next year will be again combined classrooms except for Mrs. Nutzhorn's Kindergarten class. 1st and 2nd grades will be taught by Mrs. Witt, 3rd and 4th grades will be taught by Mrs. Kennedy, and 5th and 6th grades will be taught by Mr. Davison.

Combined classrooms can be a very successful learning environment with skilled teachers, as we have with our staff at FCS. I would like to list a few advantages of the combined classrooms:
-Older students model good behavior, and work ethic to the younger students. There is some positive mentoring happening.

-Teachers have a very good feel for the "Scope and Sequence" of the two grades that they are responsible for teaching.

-There is a *reinforcement* factor of similar academic lessons that are typically presented by the teacher for each grade.

The combined classrooms (Composite Classrooms) are becoming popular in public and private schools. If you have any concerns about our teaching assignments or the combined classrooms for next year, please give me a call at the school. By Mr. Bro

ANNUAL BUSINESS MEETING-May 20

Parents, please attend our Annual Business Meeting on Thursday, May 20. The meeting will begin at 6:30 pm with a time of prayer, with our

meeting beginning at 7 pm. At the meeting, we will approve next year's budget and receive next year's calendar and supply list.

2010 GRADUATIONS!!!!

The senior class of 2010 will graduate on Friday night, May 28 at Lighthouse Christian Church. Everyone is invited to celebrate with us at 7 pm. There will be a reception afterwards in the gymnasium. Graduation is not just for seniors! The Kindergarten class of 2010 invites family

and friends to take part in this momentous occasion celebrating what they have learned in their first year of schooling. On Wednesday, May 26 at 9 am in the FCS Commons, we will hold our graduation ceremony, with refreshments following. Please invite anyone with preschoolers to attend.
