I have read the enclosed fee schedule for the 2009-2010 school year and am requesting that you reserve my child/children's place in the appropriate grade. My re-enrollment fee is enclosed with this request. I understand that re-enrollment fees are not refundable upon cancellation. **This re-enrollment represents my commitment to complete the financial obligation for a full-year's tuition and fees.** This contract becomes null and void under the following: FCS Inc. is unable to provide the promised educational services, an act of God, or other extreme circumstances beyond our control.

Signed: _____ Date: _____

The projected average cost to educate a child at FCS in 2009/10 is significantly more than the funds generated by our tuition schedule. Therefore, it is very important tuition payments are made on time and that we have your participation in fundraising activities that allow us to cover our operating expenses. In addition, we are asking that you maintain FCS high on your prayer list.

This request for re-enrollment does not guarantee acceptance. At a later date, any additional forms that may be necessary to complete re-enrollment (physical, immunizations, etc.) will be sent to you. Seventh through twelfth graders may also need to have a personal interview. You will be notified in writing of acceptance. If acceptance is denied by FCS for any reason, the re-enrollment fee will be refunded to you and you will not be obligated to pay the tuition and fees.
